ABOUT THE WBON CONFERENCE

WBON is grateful for each and every one of our members, supporters and community and will be displaying that by mixing things up for our annual conference. We will be hosting presenters that inspire and uplift while creating an environment for organic connection to take place among participants. Hosted at the scenic **ECHO Leahy Center in downtown Burlington**, we will feature a Keynote presentation, interactive workshop, panel presentation where we will hear from 6 thriving women business owners, and an Endnote presentation. Participants will enjoy a fresh catered lunch and ample time for connecting with each other in both structured and unstructured ways.
