Women Business Owners Network VERMONT

WBON 2026 Conference

Work Smarter: Making Tech Work for Your Business

Thursday, October 29th, 9:30 am – 5:00 pm | ECHO, Leahy Center | Burlington, VT

ABOUT THE WBON CONFERENCE

WBON's 2026 Conference explores how the right tools and technology can help you work smarter, reduce overwhelm, and make the day-to-day of business feel easier. The day brings together WBON members, aspiring entrepreneurs, and allies for meaningful connection, practical skill-building, and collaborative visioning for a thriving future.

By sponsoring the WBON 2026 Conference, your business places itself in front of Vermont's dynamic community of women-led enterprises. Sponsorship offers a meaningful way to support women-owned businesses while gaining visibility, building credibility, forging valuable relationships, and demonstrating your values in action.
